## Subject Index

Acromegaly  
surgical correction of facial deformities of acromegaly (Converse), *case report*, 612

Aesthetic aspects of reconstructive surgery (Millard), 533

Alopecia  
medical treatment of baldness (Orentreich), *over the fence*, 116

Ankylosis  
ankylosis of temporalis-coronoid complex of mandible (Rankow and Mignogna), 280  
what is the best method to deal with bony ankylosis of the temporomandibular joint? (Rankow), *ask the Annals*, 627

Annals of Plastic Surgery  
editorial board, 5  
message from the editor, 1

Announcements, 124, 246, 344, 437, 529, 630

Areola. *See* Nipple

Argon laser treatment of cutaneous vascular abnormalities, progress report (Apfelberg et al), 14

As I remember  
Ferris Smith (Steffensen et al), 323  
reminiscences of a plastic surgeon during World War II (Penn), 105

Ask the Annals  
is there a place for the staple gun in plastic surgery? (Rees), 238; response (Becker), *letter*, 523  
what are the indications for digital replantation? (Manktelow), 336  
what is the best method to deal with bony ankylosis of the temporomandibular joint? (Rankow), 627

Background  
another seventeenth-century denigration of Gaspare Tagliacozzi (Cosman), 312

Duchenne de Boulogne and facial expression (Hueston and Cuthbertson), 411

George David Pollock and the development of skin grafting (Freshwater and Krizek), 96

an historical account of the development of the calibrated dermatome (Ketchum), 608

plastic surgery in the twentieth century (McDowell), 217

Theodor Billroth and the first laryngectomy (Schwartz), 513

Baldness. *See* Alopecia

Basal cell carcinoma. *See* Cancer

Billroth, Theodor, and the first laryngectomy (Schwartz), *background*, 513

Blepharophimosis with associated cup-lop ears (Boo-Chai), 54

Blepharoplasty (Stark), *how I do it*, 58; *colloquium* (Flowers), 66, (Castanares), 69, (Lewis), 71

Blood vessels  
argon laser treatment of cutaneous vascular abnormalities, progress report (Apfelberg et al), 14

Blowout fractures, orbital, approach to management (Pearl and Vistnes), 267

Bone  
osseous wound healing and craniofacial surgery (Salyer), *editorial*, 439

Book critiques  
*Breast Reconstruction Following Mastectomy for Carcinoma*, by Cocke (Baroudi), 241  
*Cicatrix Optima*, by Zoltan (Hugo), 339  
*Controversy in Surgery*, edited by Varco and Delaney (Goldwyn), 119  
*Diseases of the Salivary Glands*, by Rankow and Polayes (Newsom), 120  
*Malignant Melanoma: Clinical and Histological Diagnosis*, by McGovern (Mouly and Cesarin), 338  
*Microvascular Reconstructive Surgery*, by O'Brien (Daniller), 435  
*Symposium on Basic Science in Plastic Surgery*, by Krizek and Hoopes (Bloomenstein), 119  
*Symposium on Corrective Rhinoplasty*, by Millard (Fredricks), 242  
*Symposium on Microsurgery*, Vol. 14, edited by Daniller and Strauch (Smith), 338  
*Symposium on Plastic Surgery in the Orbital Region*, Vol 12, edited by Tessier et al (Macomber), 435

Breast  
correction of inverted nipple (Wolfort et al), 294

herniated areolar complex (Bass), 402; invited comment (Rees), 405

new device to assist in sizing breasts (Ellenbogen), *gadgetry*, 333

quick, accurate mammometer (Tegtmeier), *gadgetry*, 625

reconstruction of breast following mastectomy (Guthrie), *how I do it*, 302; *colloquium* (Smith), 307, (Baroudi), 309, (Freeman), 310

skeletal and postural relations in augmentation mammoplasty (Fredricks), 44

January issue, pp 1-125; March issue, pp 127-248; May issue, pp 249-344; July issue, pp 345-438; September issue, pp 439-530; November issue, pp 531-631.

Breast (*continued*)  
 treatment of exposed breast implant by muscle flap and by fascia graft (Rempel), 229; invited comment (Courtiss), 232

Burns  
 bridal veil nylon, trellis effect in rapid wound healing (Mangus), *gadgetry*, 619  
 hyperbaric oxygen in treatment of burns (Grossman), 163  
 meshed nylon overdressings for sutureless skin grafting (DiGregorio), *gadgetry*, 429  
 quantitation of thermoregulatory impairment in patients with healed burns (Roskind et al), 172; invited comment (Gaisford), 175

Calculi. *See* Stones

Cancer  
 basal cell adenoma of parotid gland (Garbaccio et al), *case report*, 617  
 conservation of normal tissue in treatment of massive basal cell carcinoma (Frank et al), *case report*, 493  
 "disappearance" of residual basal cell carcinoma of skin (Goldwyn and Kasdon), 286  
 massive basal cell carcinoma of scalp, successful management by cooperation of chemosurgeon and reconstructive surgeon (Bakamjian et al), *case report*, 421  
 modern concepts of melanoma and its management (Davis), *over the fence*, 628  
 simultaneous metastatic epidermoid carcinoma and chronic granulocytic leukemia (Lewis and Casey), *case report*, 319  
 Theodor Billroth and the first laryngectomy (Schwartz), *background*, 513

Carcinoma. *See* Cancer

Case reports  
 basal cell adenoma of parotid gland (Garbaccio et al), 617  
 conservation of normal tissue in treatment of massive basal cell carcinoma (Frank et al), 493  
 malignant hyperthermia during repair of cleft lip in 6-month-old infant, with survival (Dempsey), 315  
 massive basal cell carcinoma of scalp, successful management by cooperation of chemosurgeon and reconstructive surgeon (Bakamjian et al), 421  
 proboscis lateralis (Chong and Cramer), 225  
 reconstruction of large unilateral nasal defect (Young and Weeks), 485  
 simultaneous metastatic epidermoid carcinoma and chronic granulocytic leukemia (Lewis and Casey), 319  
 split groin flap (Climo), 489  
 surgical correction of facial deformities of acromegaly (Converse and Baker), 612

Cervical area. *See* Neck

Classification of benign fatty tumors of peripheral nerves (Terzis et al), *overview*, 193

Cleft lip  
 dental rotation in cleft lip (D'Ottaviano et al), 407  
 lengthening of short columella associated with bilateral cleft lip (Cronin and Upton), *overview*, 75  
 malignant hyperthermia during repair of cleft lip in a 6-month-old infant, with survival (Dempsey et al), *case report*, 315; response (Bergera), *letter*, 523  
 muscle repair in unilateral cleft lip, based on findings on electrical stimulation (Kernahan), 48  
 simplified technique for correction of the cleft lip nasal deformity (Ariyan and Krizek), 568  
 surgical management of bilateral cleft lip (Spina et al), *how I do it*, 497; *colloquium* (DeHaan), 506, (Kapetansky), 507, (Manchester), 509

Cleft palate  
 influences of different surgical procedures on growth of dentomaxillary complex in dogs with artificially created cleft palate (Meijer and Prahl), 460

Columella  
 lengthening of short columella associated with bilateral cleft lip (Cronin and Upton), *overview*, 75

Congenital absence of vagina, diagnosis and plastic surgical reconstruction (Lamont), 380; invited comment (Broadbent), 391

Conservation of normal tissue in treatment of massive basal cell carcinoma (Frank et al), *case report*, 493

Craniofacial abnormalities. *See* Face

Cryosurgery of the skin, experimental and clinical study (Myers and Donovan), 271

Dentomaxillary complex. *See* Teeth

Dermatome  
 historical account of development of calibrated dermatome (Ketchum), *background*, 608

Devices  
 bridal veil nylon, trellis effect in rapid wound healing (Mangus), *gadgetry*, 619  
 cosmetic correction of mild or partially corrected pectus excavatum utilizing Silastic implant (Vecchione), 575  
 historical account of development of calibrated dermatome (Ketchum), *background*, 608  
 immobilization of interscapular skin grafts (Zook), *gadgetry*, 235  
 is there a place for the staple gun in plastic surgery? (Rees), *ask the Annals*, 238  
 meshed nylon overdressings for sutureless skin grafting (DiGregorio), *gadgetry*, 429  
 new device to assist in sizing breasts (Ellenbogen), *gadgetry*, 333  
 optimizing the skin graft board (Musajo Somma), *gadgetry*, 519  
 quick, accurate mammometer (Tegtmeyer), *gadgetry*, 625  
 Duchenne de Boulogne and facial expression (Hueston and Cuthbertson), *background*, 411

**Ears**

- blepharophimosis with associated cup-lop ears (Boo-Chai), 54
- repositioning of prominent ears (Woolf and Broadbent), 154; invited comment (Goulian), 160
- role of pressure therapy in management of earlobe keloids, preliminary report of controlled study (Brent), 579

**Editorial Board, 5**

**Editorials**

- hazards of "arriving" (Goldwyn), 3
- osseous wound healing and craniofacial surgery (Salyer), 439
- plastic surgery is not a casual thing (Gorney), 531
- transsexual surgery (Simon), 129
- trends in plastic surgery in the United States (Broadbent and Woolf), 249
- unnecessary surgery (Chase), 12
- when the grasp exceeds the reach, a disturbing vignette (Goldwyn), 345; response (McCoy), *letter*, 524
- world of William L. White (Goldwyn), 127

**Elbow**

- comparison between early use of skin flap and skin graft for correction of large tissue loss at the elbow (Kalisman et al), 474

**Electrical stimulation**

- muscle repair in unilateral cleft lip, based on findings on electrical stimulation (Mahmahan), 48

**Eyes**

- blepharophimosis with associated cup-lop ears (Boo-Chai), 54
- blepharoplasty (Stark), *how I do it*, 58; *colloquium* (Flowers), 66; (Castanares), 69; (Lewis), 71
- clinical observations on isolated optic nerve injury (Habal), *overview*, 603
- orbital blowout fractures, approach to management (Pearl and Vistnes), 267

**Face**

- differential craniofacial skeletal changes after postnatal experimental surgery (Sarnat), 131
- Duchenne de Boulogne and facial expression (Hueston and Cuthbertson), *background*, 411
- osseous wound healing and craniofacial surgery (Salyer), *editorial*, 439
- segmental meloplasty (Lewis), 547
- surgical correction of facial deformities of acromegaly (Converse and Baker), *case report*, 612
- utility of pericranial flaps (Wolfe), 146

**Filing system for transparencies (Hoffman and Simon), *gadgetry*, 330**

**Fingers**

- what are the indications for digital replantation? (Manktelow), *ask the Annals*, 336

**Flaps**

- alar hinge flap in heminasal reconstruction (Wilkinson), 481
- cervical lifts, value of platysma muscle flaps (Connell), 34
- comparison between early use of skin flap and skin graft for correction of large tissue loss at the elbow (Kalisman et al), 474
- mandibular reconstruction with free tissue transfers (Daniel), *overview*, 346
- split groin flap (Climo), *case report*, 489
- tensor fascia lata musculocutaneous flap (Nahai et al), 372
- treatment of exposed breast implant by muscle flap and by fascia graft (Rempel), *case report*, 229; invited comment (Courtiss), 232
- utility of pericranial flaps (Wolfe), 146

**Gadgetry. See also Devices**

- bridal veil nylon, trellis effect in rapid wound healing (Mangus), 619
- filing system for transparencies (Hoffman and Simon), 330
- immobilization of interscapular skin grafts (Zook), 235
- making slides for lecture or teaching (Morello and Barton), 521
- meshed nylon overdressings for sutureless skin grafting (DiGregorio), 429
- new device to assist in sizing breasts (Ellenbogen), 333
- optimizing the skin graft board (Musajo Somma), 519
- quick, accurate mammometer (Tegtmeier), 625

**Grafts**

- comparison between early use of skin flap and skin graft for correction of large tissue loss at the elbow (Kalisman et al), 474
- George David Pollock and the development of skin grafting (Freshwater and Krizek), *background*, 96
- immobilization of interscapular skin grafts (Zook), *gadgetry*, 235
- meshed nylon overdressings for sutureless skin grafting (DiGregorio), *gadgetry*, 429
- nasal tip cartilage grafts (McKinney), 177; invited comment (Rees), 182
- optimizing the skin graft board (Musajo Somma), *gadgetry*, 519
- treatment of exposed breast implant by muscle flap and by fascia graft (Rempel), *case report*, 229; invited comment (Courtiss), 232

**Hand. See also Fingers**

- split groin flap (Climo), *case report*, 489

**Heat sensation**

- quantitation of thermoregulatory impairment in patients with healed burns (Roskind et al), 172

**Hernia**  
herniated areolar complex (Bass), 402; invited comment (Rees), 405

**How I do it/Colloquium**  
blepharoplasty (Stark), 58; *colloquium* (Flowers), 66, (Castanares), 69, (Lewis), 71  
reconstruction of breast following mastectomy (Guthrie), 302; *colloquium* (Smith), 307, (Baroudi), 309, (Freeman), 310  
rhinoplasty (Diamond and Pitman), 582; *colloquium* (Rees), 597, (Anderson), 598, (Sheen), 601  
surgical management of bilateral cleft lip (Spina et al), 497; *colloquium* (DeHaan), 506, (Kapetansky), 507, (Manchester), 509  
surgical management of lymphedema of the extremity (Miller), 184; *colloquium* (Edgerton), 188, (Hoopes), 190, (Lewis), 191

Hyperbaric oxygen in treatment of burns (Grossman), 163

**Hypodermis**  
microarchitectural model of regional variations in hypodermal mobility in porcine and human skin (Rose et al), 252

**Ileostomy**  
panniculectomy and the difficult ileostomy for urinary diversion (Cocke and Palmer), 290

**Implants**  
cosmetic correction of mild or partially corrected pectus excavatum utilizing Silastic implant (Vecchione), 575  
treatment of exposed breast implant by muscle flap and by fascia graft (Rempel), *case report*, 229; invited comment (Courtiss), 232

**Impotence**  
nonsurgical treatment of impotence (Lavengood), *over the fence*, 239

**Keloids**  
role of pressure therapy in management of earlobe keloids, preliminary report of controlled study (Brent), 579

Kidney transplantation (Pierce), *over the fence*, 431

**Lacerations**  
immediate reconstruction of simple lacerations (Metzger), 450

**Laryngectomy**  
Theodor Billroth and the first laryngectomy (Schwartz), *background*, 513

**Laser**  
argon laser treatment of cutaneous vascular abnormalities, progress report (Apfelberg et al), 14

**Leg**  
surgical management of lymphedema of the extremity (Miller), *how I do it*, 184; *colloquium* (Edgerton), 188, (Hoopes), 190, (Lewis), 191

**Letters**  
malignant hyperthermia during repair of cleft lip in a 6-month-old infant, with survival (Bergera), 523  
professional courtesy (McCoy), 524  
staple gun in plastic surgery (Becker), 523

**Leukemia**  
simultaneous metastatic epidermoid carcinoma and chronic granulocytic leukemia (Lewis and Casey), *case report*, 319

**Lip.** *See also Cleft lip*  
lower lip reconstruction following resection of large lesions (Garcia), 398  
"staircase" closure of lower lip defects (Sullivan), 392

**Lipsett technique.** *See also Nose*  
reduction of excessive nasal tip projection with modified Lipsett technique (McCurdy), 478

**Lymphedema**  
surgical management of lymphedema of the extremity (Miller), *how I do it*, 184; *colloquium* (Edgerton), 188, (Hoopes), 190, (Lewis), 191

Malignant hyperthermia during repair of cleft lip in a 6-month-old infant, with survival (Dempsey et al), *case report*, 315; response (Bergera), *letter*, 523

**Mammaplasty**  
new device to assist in sizing breasts (Ellenbogen), *gadgetry*, 333  
quick, accurate mammometer (Tegtmeier), *gadgetry*, 625  
skeletal and postural relations in augmentation mammaplasty (Fredricks), 44  
treatment of exposed breast implant by muscle flap and by fascia graft (Rempel), *case report*, 229; invited comment (Courtiss), 232

**Mammometer**  
quick, accurate mammometer (Tegtmeier), *gadgetry*, 625

**Mandible**  
ankylosis of temporalis-coronoid complex of mandible (Rankow and Mignogna), 280  
mandibular reconstruction with free tissue transfers (Daniel), *overview*, 346  
what is the best method to deal with bony ankylosis of the temporomandibular joint? (Rankow), *ask the Annals*, 627

**Mastectomy**  
reconstruction of breast following mastectomy (Guthrie), *how I do it*, 302; *colloquium* (Smith), 307, (Baroudi), 309, (Freeman), 310

**Medical treatment**  
medical treatment of baldness (Orentreich), *over the fence*, 116  
nonsurgical treatment of impotence (Lavengood), *over the fence*, 239

**Meloplasty.** *See Rhytidectomy*

Message from the editor (Stark), 1

Microarchitectural model of regional variations in hypo-

dermal mobility in porcine and human skin [Rose et al], 252

**Muscle**  
neural neurotization [Rubin and McCoy], 562

**Neck**  
cervical lifts, value of platysma muscle flaps [Connell], 34  
radical neck dissection [Conley], 19

**Nerves**  
classification of benign fatty tumors of peripheral nerves [Terzis et al], *overview*, 193  
neural neurotization [Rubin and McCoy], 562

**Neurotization**  
neural neurotization [Rubin and McCoy], 562

**Nipple**  
correction of inverted nipple [Wolfson et al], 294  
herniated areolar complex [Bass], 402; invited comment [Rees], 405

**Nose**  
alar hinge flap in heminasal reconstruction [Wilkinson], 481  
improved septoplasty, microsurgical suture technique [Gottschalk], 30  
nasal tip cartilage grafts [McKinney], 177; invited comment [Rees], 182  
proboscis lateralis [Chong and Cramer], *case report*, 225  
reconstruction of large unilateral nasal defect [Young and Weeks], *case report*, 485  
reduction of excessive nasal tip projection with modified Lipsett technique [McCurdy], 478  
rhinophyма, surgical refinements [Elliott et al], 298  
rhinoplasty [Diamond and Pitman], *how I do it*, 582; *colloquium* [Rees], 597; [Anderson], 598; [Sheen], 601  
rhinoplasty in the older adult [Rees], 27  
septorhinoplasty of traumatically deformed nose [Courtiss], 443  
simplified technique for correction of cleft lip nasal deformity [Ariyan and Krizek], 568

**Nylon**  
bridal veil nylon, trellis effect in rapid wound healing [Mangus], *gadgets*, 619  
meshed nylon overdressings for sutureless skin grafting [DiGregorio], *gadgets*, 429

**Optic nerve**  
clinical observations on isolated optic nerve injury [Habal], *overview*, 603

**Optics**  
quantitative optics, control of perspective in comparative photography [McShane et al], 466

**Over the fence**  
kidney transplantation [Pierce], 431  
medical treatment of baldness [Orentreich], 116

modern concepts of melanoma and its management [Davis], 628  
nonsurgical treatment of impotence [Lavengood], 239

**Overview**  
classification of benign fatty tumors of peripheral nerves [Terzis et al], 193  
clinical observations on isolated optic nerve injury [Habal], 603  
lengthening of short columella associated with bilateral cleft lip [Cronin and Upton], 75  
mandibular reconstruction with free tissue transfers [Daniel], 346

**Panniculectomy and the difficult ileostomy for urinary diversion** [Cocke and Palmer], 290

**Parotid gland**  
basal cell adenoma of parotid gland [Garbaccio et al], *case report*, 617  
use of ultrasound to localize calculi within the parotid gland [Pickrell et al], 542

**Pectus excavatum**  
cosmetic correction of mild or partially corrected pectus excavatum utilizing Silastic implant [Vecchione], 575

**Penis**  
penile disorders in two paraplegics [Ohtsuka et al], 453

**Photography**  
filing system for transparencies [Hoffman and Simon], *gadgets*, 330  
making slides for lecture or teaching [Morello and Barton], 521  
quantitative optics, control of perspective in comparative photography [McShane et al], 466
